

Auditor's report on the financial statements of CENTRE MAURITS COPPIETERS ASBL for the year ended 31 December 2013

In accordance with the statutory requirements and our service contract with the European Union represented by the European Parliament, we report to you on the performance of our audit which was entrusted to Ernst & Young Réviseurs d'Entreprises cvba. This report contains our opinion on the financial statements (only including balance sheet and profit and loss account) and on the financial statements of eligible expenditure actually incurred as well as on compliance with rules and regulations applicable to funding of political parties and foundations at European level.

Unqualified auditor's report with emphasis of matter

We have audited the financial statements as defined above for the year ending 31 December 2013 and the final statement of the eligible expenditure actually incurred for the period of eligibility defined by the grant award decision of Centre Maurits Coppieters ASBL, as laid out on the following pages.

The financial statements for the year ended 31 December 2013 have been prepared in accordance with the financial reporting framework applicable in Belgium and show a balance sheet total of € 75.873,57 and a profit for the year of € 4.712,76. The profit of the year has been transferred to the Specific Reserve Account. Reserve accumulated (including the result of the year) amounts to € 3.950,41.

Respective responsibilities of the Board of Directors of Centre Maurits Coppieters ASBL

The Board of Directors is responsible for the preparation and fair presentation of the financial statements. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation. Moreover, it includes a fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

The Board of Directors is responsible towards the European Parliament for the use of the grant and must comply with the provisions of the Regulation EC (No) 2004/2003 and the underlying acts.

Respective responsibilities of the Auditor

Our responsibility is to express an opinion on these financial statements and on the final financial statement of eligible expenditure actually incurred based on our audit. Furthermore, our responsibility is to express an opinion on the compliance with rules and regulations applicable to funding of political parties and foundations at European level.

We conducted our audit in accordance with the legal requirements and the auditing standards applicable in Belgium, as issued by the Institute of Registered Auditors (Institut des Réviseurs d'Entreprises/Instituut van de Bedrijfsrevisoren). Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

In accordance with these standards, we have performed procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, we have considered internal control relevant to the association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. We have evaluated the appropriateness of accounting policies used, the reasonableness of significant accounting estimates made by the association and the presentation of the financial statements, taken as a whole. Finally, we have obtained from the Board of Directors and the association's officials the explanations and information necessary for executing our audit procedures. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our audit work included specific procedures to gather sufficient and appropriate audit evidence that the financial provisions and obligations of the grant award decision, Regulation (EC) No 2004/2003 and the underlying acts have been met.

Opinion

In our opinion, the financial statements (only including balance sheet and profit and loss account) for the period ended 31 December 2013 have been prepared in accordance with the financial reporting framework applicable in Belgium, are free of material misstatement and show a true and fair view of the financial position and the operating results.

Notwithstanding the negative cash position in the year under audit which impact the financial statements of the Foundation, the financial statements are prepared under the assumption that the activities will be continued. This assumption is sustainable as long as the Foundation will receive financial support from the European Parliament or other financing sources. Without altering our audit opinion, we draw your attention to the notes in the financial statements in which the Foundation justifies the application of accounting policies under the assumption of going concern.

Additional confirmations and statements

The association's compliance with:

- the Law for not-for-profit associations (Wet betreffende de verenigingen zonder winstoogmerk, de internationale verenigingen zonder winstoogmerk en de stichtingen / Loi sur les associations sans but lucratif, les associations internationales sans but lucratif et les fondations) ,
- its articles of association, and
- the provisions of the European Parliament's grant award decision, Regulation (EC) No 2004/2003 and the underlying acts,

is the responsibility of the Board of Directors.

We do not have to report any transactions undertaken or decisions taken in violation of the association's articles of association or the Law for not-for-profit associations, except for the auditor's report not being presented to the General Assembly who approved the financial statements.

In our opinion (which does not modify the scope of our opinion on the financial statements):

- without prejudice to formal aspects of minor importance, the accounting records were maintained in accordance with the legal and regulatory requirements applicable in Belgium;
- the financial documents submitted by Centre Maurits Coppieters ASBL to the European Parliament are consistent with the financial provisions of the Bureau's grant award decision;
- the expenditure declared was actually incurred;
- the statement of revenue is exhaustive;
- the obligations arising from the Regulation (EC) No 2004/2003 have been met;
- the obligations arising from the Bureau decision of 29 March 2004 have been met;
- the obligations arising from the grant award decision, in particular from Article II.7 - Award of contracts and Article II.11 - Eligible expenditure, have been met;
- the contributions in kind have actually been provided to the beneficiary and have been valued in compliance with the applicable rules.

Centre Maurits Coppieters

Notes to the Financial Statements for the year ended 31 December 2013

Basis of accounting

1 These accounts have been prepared in accordance with accounting policies generally accepted in Belgium, as supplemented and amended to suit the specific needs of the association.

Accrual base

2 All costs and revenues have been accounted for on an accrual base, and are related to the financial year 2012.

Revenues

3 The contributions in kind are in line with the regulations and imply contributions for the good functioning of the association.

Social Fund

4 The association has been created on September 20, 2007. The activities of Pilot project have been closed but a excess of expenditure over revenue of € 759,93 has been taken over by the foundation.

5 The use of the social fund for the financing of current expenses can only be done after approval of the Bureau within the limits set out buy the General Assembly.

Fixed Assets

6 The association's policy is to expense minor items of office furniture and equipment (less than 420 € for each individual item). Major items are capitalized and depreciated based on the IEC valuation rules on a straight-line basis.

Value added tax

7 Expenses are recorded including value added tax.

Cash Flow

8 Due to the current financing scheme, the Centre Maurits Coppieters could incur cash flow shortages towards year end 2013 or year 2014. To avoid a future cash flow problem caused by any possible event, a cash credit contract has been signed. This cash credit contract allows a cash limit of 35.000 EUR from 1/11/2013 to 14/04/2014 (see KBC kredietcontract C10-5954710-90 for further details)

A handwritten signature in blue ink, consisting of a large, stylized initial 'S' followed by several smaller, less distinct characters.

EXPENDITURE			REVENUE
